Login to the [AKCIS Website](#) and switch from the Junior Site to the High School Site.

See image below.

Now look for the Occupation Sort Link by putting your mouse on the Occupations tab. Now click on the Occupation Sort.

The **Occupation Sort** helps you identify occupations that match what is important to you. This sort will match the list of your Work Values you want in an occupation with the Job Priorities of occupations. The site will then create a list of occupations that match your preferences. Prioritizing the factors by their importance to you produces the best list of occupations.
