Project #1 My plan is to _____

Comparison Chart

I will site 3 research sources.

Create a chart with illustrations and descriptions that show the various Egyptian gods, where they stood in importance, and the function served by each of them. Compare this information to that of a Greek gods chart. Use both charts to help you create a comparison chart of the two groups of gods. Note the possible similarities and differences. **Requirements-** 8 Egyptian gods charted, 8 Greek gods charted and the Comparison of the gods charted.

Map the Pyramids etc.

I will site 3 research sources.

Make a map of Egypt on poster board. On your map locate major archaeological sites consisting of pyramids, temples and major discoveries. Include significant information about each archaeological find. **Requirements...** Poster with 15 sites plotted and a paragraph description about each site. Just because you have a color printer does not make it a good project.

Project #2 3D Artifact Poster My plan is to _____

Check the boxes that apply

I will site 3 research sources.

Yes my poster has already been approved.

No my poster has not been approved.

I understand that the Artifact needs to be affixed to a Poster and must be light enough so that it can hang on the wall.
