#6

Focus on the decline of the Zhou Dynasty.
*Bureaucracy *Feudalism *Crying Wolf=Strong Nobles

Mar 22-1:11 PM

Focus on the decline of the Zhou Dynasty

P1 = reasons
        P2 = they lost the mandate
P2 = attacked
P2 = King You cried wolf
        P3 = nobles did not send army
P2 = ~~Nobles~~ LORDS became independent
        P3 = King could not keep control
                because China grew so large
        P3 = nobles became more
           and more powerful
        P3 = Nobles became King like

Mar 22-1:11 PM

Focus on the decline of the Zhou Dynasty   2012

P1 = reasons
        P2 = Nobles start fighting each other
           P3 = Warring States Period
           P3 = Warring Kingdoms Period

How did the Zhou rule such a large area?

The Zhou could not rule the whole of their new territory directly so they sent out relatives or trusted friends to represent them. These Zhou representatives became powerful in their own right; some of them became just as powerful as the Zhou kings.

Mar 22-1:11 PM

P1 = **Nobles power struggles**
     P2 = New Government
          P3 = Bureaucracy = Chain of Command
                P4 = **chosen people of ability in charge**

                P4 = **counties or boroughs**
                   P5 = **Loyal to noble or replaced**

        P2 = New Laws
          P3 = Public
            P4 = All could see
            P4 = Posted on a bronze vessel

10.00 x 7.50 in

Mar 22-1:08 PM

P1 = Hundred Schools Period
     P2 = **Ideas 2 Restore Order**
        P3 = ethics &
             moral values
P1 = Confucius / teacher
     P2 = Restore family order
        P3 = Fathers lead inspire
        P3 = Children obey
        P3 = Family be loyal
