➤ **Homework:** Homework will be assigned daily. Please write all assignments in your S.M.S. Planner.

Late Homework: **No late homework will be accepted without a Late Pass.**

Students will be given passes that may be used throughout the first three quarters for late homework assignments. Before turning in the late assignment the student will need to have a parent sign the pass. The student will then attach the pass to the completed late assignment. Parents please do not sign the Late Pass until the late homework assignment is completed. The student now has an opportunity to earn full credit for the assignment. If a late assignment is turned in without a late pass or parent signature no credit will be earned.

Late passes are the student's responsibility. **Lost passes will not be replaced.**

First Quarter	=	3 late passes	Second Quarter	=	2 late passes
Third Quarter	=	1 late pass	Fourth Quarter	=	0 late passes
