

OK so last Fall you created a map called Churchville now it's your turn.

For **EXTRACREDIT** design a map with 25 features and a list of instructions on how to create your

Spartan Ville Map.

Use names of teachers, events or subjects to create your town.

You may create streets named

Honor Roll Ave.,

Math St., or

Truesdell Way.

You may choose to create places called

Gustkey Radio Tower,

Kircher Library, or

Pillifant Marathon Track,

This is a fun creative assignment so make sure to honor people and not to hurt anyone's feelings. You may **not** use student names. Be creative, capitalize proper nouns and spell the names correctly.

ABENDROTH	LEANNE	SCH SEC II	SECRETARY II
ALDRIDGE	CINDY	POOLS SUPERVISOR	POOLS SUPERVISOR

To earn credit you will need to have both a map with 25 features and a written guide of instructions on how to draw your map.

Use Churchville as an example.

All previous map requirements apply.
