

Geo Terms Map

Terms with a circle ⑧ will be used on the Geo Terms Map and the 16 Squares Assignment.

The number within the circle ⑧ does not necessarily match the numbers on the Geo Terms Map assignment.

Step 1

- ✓ Divide a piece of paper vertically. (Like a hotdog).
- ✓ Number down either side 1-22 and 23-44 respectfully.

Step 2

- ✓ Use the map to identify the name of the feature with the corresponding number. Write your answer on the lined piece of paper.

Step 3

- ✓ Have the teacher highlight the correct answers.
- ✓ When all of your answers have been highlighted go on to Step 4.

Step 4

- ✓ Label the map with an **Ultra-Fine Point Black Felt Tip Pen**.
- ✓ Use color pencils to color the map.
