

Section #8 Rapid Fire Movie Notes CW

Focus on the government and achievements of each empire.

Meso - named by the Greeks

Israel - Dead Sea Scrolls = Old Testament 1st five books = Torah

Bible read as sacred and historical.

Looking for Historical proof by cross referencing stories

Two accounts of the same story

Confirmation of Faith when Historically true

Looking for Biblical Discoveries

Moabite Stone

2 sources for the same event

It mentions "Israel," "Yahweh," and the "House of David."

King Neb. took the Jews (Hebrews) from ZION (Canaan) back to Babylon

Jews believed they were out of COVENANT

King NEB. allowed the HEBREWS to have their own culture, religion and customs so they wrote the Bible in Babylon.

Babylon = First Legal Code

Hammurabi's Code it replaced oral laws which could change

A written law doesn't change because everyone knows it.

Section #8 Rapid Fire Movie Notes CW

Focus on the government and achievements of each empire.

Assyrians

Attack the Israelites - Destroy the lands quoted in the Bible

Confirmation of the Bible when the capital of Nineveh was found.

Nineveh had the best Library with historical scrolls

PART 2 Day 2
